

Normanview Residents Group Inc.

NRG Community Grant Program Application

Program Description:

The Grant Program goal would be to build relationships and capacity in the community that enhance the quality of life, neighbour interaction, pride in the community and in turn resident property values. The program would be available for current members, in good standing and community partners to apply for funds up to \$1000 to support projects that demonstrate unique, innovative or motivating ideas that meet the goals and objectives of NRG.

Project applications and proposals may be submitted any time, but only those that fulfill the Eligibility Criteria will be considered.

Selection of awarded proposals will be at the sole discretion of the NRG Executive. There is no guarantee or promise that a submitted proposal will be selected even where meeting Eligibility Criteria.
